

CoffeeSpot — Merchant Account Checklist

GCash for Business + Maya Business (QR Ph payments)

Para makatanggap ang shop ng GCash at Maya payments sa ordering system, kailangan mo munang mag-apply bilang **merchant** sa GCash at Maya. Sundin ang checklist na ito step by step.

1 Ihanda ang mga dokumento

Isang folder lang — photo o PDF ng bawat isa:

- ☐ DTI Certificate of Business Name Registration
- ☐ BIR Form 2303 (Certificate of Registration)
- ☐ Mayor's Permit / Business Permit (kung meron na)
- ☐ Valid government ID ng owner (may signature)
- ☐ Proof of business address (utility bill o lease)
- ☐ Proof of bank account (passbook o statement) — settlement account
- ☐ **Bagong business email** — hindi pa nagamit sa GCash o Maya Business

Personal accounts (kailangan din)

- ☐ Personal GCash — fully verified, mas okay kung 1 taon+ na active
- ☐ Personal Maya — verified

Important: Dapat mag-match ang business name sa lahat ng documents (yung registered name sa DTI/BIR).

Message o shared folder — ipadala ang mga ito:

Kailangan	Detalye
GCash QR Ph image	screenshot o download file
Maya QR Ph image	screenshot o download file
Registered business name	exact spelling
Display name sa receipt	hal. CoffeeSpot Marikina
Settlement bank	bank name + last 4 digits lang
Test payment	confirm na nagpadala ka ng ₱1 sa bawat QR

Huwag i-send: passwords, full bank account number

5 Habang naghihintay ng approval

- ☐ Pwede pa ring mag-operate ang shop — cash sa counter
- ☐ Pwede ring manual GCash/Maya sa personal account (temporary lang)
- ☐ Pag may QR images na, ilalagay na sa ordering system ng shop
